CLASS SEARCH HINT:

Term is required for any search.
Selecting additional options (i.e. Subject, Location, etc) may reduce your search time significantly.
Beginning with Fall 2009, classes at the Taylor Center are listed under "East Williamson County Center".
You can use the Instruction Method of "InHome" to find all classes taught over the Web (On-Line).
Use the Classes Meeting After to limit classes to only night classes (after 5:00 pm).
Classes ending Before to limit classes to only day classes (before 5:00 pm).

To limit your search for only sections starting in the second half of the term use the Class On/After dates as follows:
The date(s) option only works in IE, Firefox or Safari.

For Fall enter October 1 and the year.
(Example: 10/01/00 where '00' is the last two digits of the year in Term).
For Spring enter March 1 and the year.
(Example: 03/01/00 where '00' is the last two digits of the year in Term).
For Summer enter July 1 and the year.
(Example: 07/01/00 where '00' is the last two digits of the year in Term).
The Class On/After Date and Class Ending On/Before are dates in the format MM/DD/YYYY.
(Two digit month 01 - 12, slash, two digit day 01 - 31, slash and the last two digits of the year).
